

THE
VINE CLUB
WITH PIG & VINE
x

The Vine Club specializes in unique wines from small artisanal producers practicing organic, biodynamic and sustainable farming methods from all over the world. In an increasingly homogenized wine world, too many taste alike and lack personality. The Vine Club brings you selections with character and a sense of place, often from lesser-known regions and unusual grapes. These are wines that come alive with food and express the complexity and nuance which separates the gems from the masses.

Every month members receive either two or four selections depending on subscription level paired with personal tasting notes and information about the wines chosen exclusively for this club. Designed to take the guess work out of wine shopping, The Vine Club demystifies the world of wine so you can enjoy your bottle with confidence.

The Vine Club was created by Amy Collins, a passionate wine expert who wants everyone to **Drink Better**. She is certified by the American Sommelier Association and the Wine and Spirit Education Trust (WSET). She blogs about wine on PigandVine.com, where you can find weekly recommendations, guidance, and further insight into the vinous life.

Memberships are available in three (3) and six (6) month increments and make the perfect gift for yourself or someone special. The Vine Club selections will be available for pick-up* on the third Friday of each month. For more information email cheers@thecarriagewineandmarket.com.
